Our Vision

To create a Timor-Leste free of violence, where all citizens, especially women, children and young people, can engage meaningfully in the country's development in a peaceful, positive and productive way.

FILM & THEATER

The creators of the famous Feto Fantástiku film series can design behavior change communication to enhance your project!

TESTIMONIALS

"Until now, I thought that domestic violence is normal. However, this theater performance opened my mind. Violent behavior between a husband and wife is a public crime and it violates our law."

Audience Member • Male Farmer, Ainaro

Ba Futuru provides effective training across the board, whether it be for government staff, NGO workers, police, teachers, local women leaders, pig farmers or youth!

"I worked intensively with Ba Futuru facilitators... I found the facilitators very professional. The process of creating new training materials, training the facilitators in new topics and refining their quality training modules for usage in a new environment went well. They were committed, focused, well prepared and excited. The team delivered the training extremely well, each of them bringing a different style and personality that ensured participant engagement."

Claudia Schraewer • GIZ consultant

Our Methods

We use quality training modules adapted to the Timorese context and educational films in our trainings. We also produce entertainment education community theater and films for widespread reach!

QUALIFIED FACILITATORS

- Certification IV qualification
- English and Tetun Fluency
